### **Bhagavad Gita: El Canto del Señor** From Editorial Sirio

In the Bhagavad Gita, Prince Arjuna asks direct, uncompromising questions of his spiritual guide on the eve of a great battle. In this expanded edition of the most famous and popular of Indian scriptures, Eknath Easwaran contextualizes the book culturally and historically and explains the key concepts of Hindu religious thought and the technical vocabulary of yoga. Chapter introductions, notes, and a glossary help readers understand the book's message. Most importantly, this translation uses simple, clear language to impart the poetry, universality, and timelessness of the Gita's teachings.
